

RE-OPEN FOR BUSINESS WITH CONFIDENCE.

A & B Supplies has everything you need to maintain a safe and healthy work environment.

Let us advise you about implementing cleaning protocols that will slow the spread of germs for your employees and customers.

SURFACE DISINFECTANTS & SANITIZERS

- Full line of disinfectant and germicidal cleaners
- Effective against bacteria, fungi and viruses
- Dilute or use full-strength
- Use with our **trigger bottles and microfibre cleaning cloths** →

Did you know?
Surface disinfectants used with reusable cleaning cloths are just as effective as disposable disinfectant wipes. Soak cloth in disinfectant for 15 min. and clean as usual!

Peroxide cleaner is a powerful disinfectant while still being a green product - its active ingredients break down into water and oxygen after use

A & B Supplies

500 Alden Road, Unit 12, Markham
